Ref. No. APW/FIR/05/2022

Date 14-10-2022

To,

The Officer Incharge

Paltan Bazar, PS, Guwahati 781007

Subject: FIR against M/s Wipro Limited (System Integrator) and the NRC Directorate, misappropriating huge amount of public money in updation of NRC in Assam.

Respected Sir,

Greetings from Assam Public Works (APW), a leading rights group of Assam fighting against ULFA, NDFB, JIHADIS and Illegal foreigners of Assam. Our organisation is also well known in the state of Assam for the works of welfare to the society as well as to protect the rights and liberties of people of Assam in various fora including judicial fora. We are the main petitioner in the Writ Petition WP (C) 274/2009 pending before the Hon'ble Supreme Court.

As we all are aware that process of publication of National Register of Citizens in Assam is going on for last few years. We are, as the Main Petitioner, closely monitoring the process of updation of the NRC in Assam since its inception. It is a known fact that Government of India is spending the whole expenditure of the aforesaid process through NRC Directorate and as per information an amount of Rs. 1600/- crores approximately has already been released by the Govt. of India.

That Sir, M/s Wipro Limited was entrusted as one of the prime software installation company by NRC Directorate. Accordingly, **M/s Wipro Limited as System**

Integrator worked in the process of updation of NRC for the state of Assam. M/s Wipro Limited also submitted bills from time to time for software installation and other system oriented works. Out of those, a bill was submitted by M/s Wipro Limited (System Integrator) amounting of Rs. 1.27 Crore for procurement of "Oracle Standard One Edition" and "Oracle Intelligence Server Enterprise Edition", the amount of which was paid during the month of February, 2017 to August, 2017. However, as per the ground report of National Institute of Smart Governance (NISG) submitted to Office of the Accountant General (AUDIT), Assam no such system was installed and used for the updation of NRC in Assam. The amount was cleared by the NRC Directorate, by indulging in conspiracy and mutual understanding with M/s Wipro Limited as revealed from the report.

That Sir, another conspiracy which has come to light after the report of the Accountant General (AUDIT), is the submission of false generator purchase bills before the Audit those were shown to be installed after purchasing the same at 2500 NSKs. M/s Wipro Limited submitted a bill of 1-2 KVA sets of generators which were shown to be purchased and installed at 2500 NSKs around the state of Assam, each amounting to Rs. 93,964/- only. Accordingly, an amount of Rs. 34.76 Cr. was released to M/s Wipro Limited for installation of 3700 generators. However, on field enquiry the Auditor at some NSKs came to know that the generators were not purchased but hired and moreover, the market price of the hired generators are also not Rs. 93,964/- only as submitted in bill, but is Rs. 35,000/- each which clearly indicates the involvement of the NRC Directorate with M/s Wipro Limited causing huge amount of loss to government exchequer.

That Sir, the above instances clearly demonstrate that a huge corruption has taken place in the process of updation of NRC with the active role of the NRC Directorate and Misappropriated huge public money for his personal gain. Under the aforesaid circumstances, it is therefore requested that an investigation may be carried out against M/s Wipro Limited and NRC Directorate to bring out the truth and doing the needful as per law from your good office.

This is our kind request before you through this representation.

Thanking You
Yours faithfully,
